NOTES

When fitting flush pull handles we recommend the stop be regulated so the door protrudes from the pocket to avoid risk to fingers. Should the door be set to enter the pocket completely we do not accept any liability.

Plasterboard not supplied.

Sliding system, door jambs and final architraves all supplied. Please specify at time of order if doors should be cut for flush pulls. If non is specified then the doors will be cut for these.

dimensions are given in mm.
